 Did you know that 46 lenders have made changes to their Part 2's in the last 3 months with 110 questions being Updated in the last 30 days alone? (information correct as at 21st December 2020)

 Did you know that UK Finance do not keep records or databases of when changes to the Part 2's are made?

 Did you know that since the Part 2's moved to UK Finance, Lenders can log in and make changes at any time they wish?

The LC-5 report was created by conveyancers for conveyancers to add a layer of protection in the conveyancing process. Part 2's can now be changed at anytime and the LC-5 report can now clearly highlight any changes that have been made at any point in time. Run a report at the start of a case and at the very least just before exchange to make sure no changes have occurred that you are not aware about (you make up to 5 updates per case). Keep a record on file of any changes for auditing purposes. Standardise your office procedures and protect your PI insurance against claims.
